## EXPERIENCE

### Treehouse UX Apprentice with Niantic

February 2020 – Present

- ▶ Created UX designs for mock applications for web and mobile and conducted user tests and interviews.
- ▶ E-Commerce – Redesign and rebranding of a T-shirt website.
- ▶ Grocery App – Make grocery shopping easier and less time consuming, especially at a time of crisis (COVID-19).
- ▶ B2B Email Campaign – Created a email campaign site that is easy to use for basic users yet advanced enough for power-users.
- ▶ Peer reviewed and wrote up feedback on projects for UX students within the program.

### Freelance Graphic Designer and Photographer

November 2016 – Present

- ▶ Creating new logos and refreshed brands for various businesses.
- ▶ Working directly with clients in scheduling sessions and photographing their portraits.

### Redefine

#### Design Intern

July 2017 – August 2017

- ▶ Collaborated with the design director to create logos, brochures, menus, and advertising boards for local businesses within the San Francisco Bay Area.
- ▶ Clients include San Francisco Unified Lions Club, Century 21, An Hong Express, and Stix Restaurant.

## VOLUNTEERING

### SF Design Week

#### Volunteer

June 2019

- ▶ Collaborated with event coordinators to organize and setup each event during the two-week design summit.
- ▶ Worked directly with lead designers to arrange design pieces for the opening event, and helped with receptions to ensure guests were checked-in in a timely manner.
